

HOW TO ORGANIZE A FOOD DRIVE

STEP ONE:

With your family, sports team, or friends, pick a time and place for collecting food. Consider picking a time people will gather anyway, like a sporting event. You could also pick a donation spot that people walk by frequently, like a spot in a school or business. Or you could select a home as a neighborhood collection point.

STEP TWO:

Spread the word! You could create flyers, send evites or emails, or use word of mouth. This is a great step to involve kids. They can make or deliver flyers. Make sure to include examples of the categories of food you are collecting.

STEP THREE:

Collect the food. Make sure you have sturdy bags or boxes that can handle all the cans you'll receive. Smaller boxes are best. Cans can get heavy!

Keep an eye on the food.

Do your best to not let it sit outside in the heat, cold or rain, even if it is non-perishable. Take pictures and send to info@dsfp.org

STEP FOUR:

Drop off the food at DSFP using the guidelines found on our website.

We are open to receive donations:

Mondays from 10:00 am to 11:30 am

Wednesdays from 10:00 am to 11:30 am

Saturdays from 10:00 am to 11:30 am

(If you can't make the times listed, please call us at 703-507-2795 x0 or email info@dsfp.org. We cannot guarantee alternate drop off opportunities, but will make every effort to accommodate when possible.)
