The Dulles South Food Pantry, Inc. was founded in 2014 by local community members who recognized that a food pantry was needed in rapidly growing southeastern Loudoun County. We provide nutritious food, personal supplies and other services to those in need in Dulles South and the surrounding area regardless of income, faith or other criteria and strive to promote self-sufficiency. The Pantry is supported by the local Dulles South Community including faith organizations, businesses, grocery stores, restaurants, schools, service organizations, home owners associations, sports leagues, scout troops, farmers, individuals and families.
